to be honored Oct. 29**

Massachusetts Medical Law Report, a state-wide publication for medical professionals covering legal news and risk management, is pleased to announce the winners of our 2nd annual “Rx for Excellence” awards.

The Rx for Excellence Awards will honor 45 physicians, risk managers, attorneys and many other professionals for best practices in safety, quality and risk management in health care. Awards will be given in two categories: Leaders in Quality and Heroes from the Field.

The winners will be presented with their awards at a special breakfast and ceremony at the Westin Copley Place on Oct. 29 from 7:30 a.m. – 9:30 a.m.

The winners were selected by a group of leaders in the Massachusetts health care community, along with the editorial staff of *Massachusetts Medical Law Report*.

“Our honorees represent the very best of our unparalleled medical community in this state,” says David Yas, publisher of *Massachusetts Medical Law Report*. “We are thrilled to honor such an elite group.”
